

South Saskatchewan River Watershed Stewards

The South Saskatchewan River Watershed Stewards (SSRWSI) is a non-profit organization that implements programs and initiatives that conserve and protect water resources within the South Saskatchewan River watershed.

SSRWSI members include Rural Municipalities, communities, and special interest groups that are interested in managing watershed resources.

Please RSVP to Renny Grilz, SSRWSI Watershed Coordinator if you are planning to attend either the Membership Meeting or the Lunch at Noon. No RSVP required to attend the afternoon presentations.

Membership Meeting is open to current and past SSRWSI members as well as those interested in becoming a member!
